

CHICAGO STATE UNIVERSITY

College of Arts and Sciences Curriculum Committee

Approved Meeting Minutes

October 26, 2023

Attendance: Natalie Szabo (Chair), John Smith (Secretary), Kevin Swier, Rohan Attele, Archie Peters, Dan Hrozencik, Evelyne Delgado-Norris, Jan-Jo Chen, Leifu Jiang, Mousa Ayyash, Louis McFarland, Mutlu Koseli, Tekleab Gala, Rae Anne Montague, Mohammad Salam, Daniel Block

Meeting called to order: 12:37pm

Old Business:

1. Approve Minutes of Sept 7, 2023 meeting

Motion to approve (Swier/Peters): **Approved 10-0-1**

New Business:

1. **Spanish – Curriculum Program Change**

New Certificate: Spanish for Business

Presented by Evelyn Delgado-Norris

12 crs Certificate Program, Spanish Language applied to Business/Professional

All courses already exist, Field Work requirement already exists

No changes to faculty or courses

Supported by College of Business, and will be good option for all CSU students/majors

Motion to approve (McFarland/Hrozencik): **Approved 14-0-0**

2. **History and Africana Studies – Curriculum Program Change**

Changes to Minor in Africana Studies

Presented by Daniel Block

Changing requirements so students required to take 1 AFAM History and 1 African HIST course

Changing list of electives to be more inclusive and remove courses no longer offered

Edit: Catalog layout make more clear 1 course required in each area, advising sheet very clear

Motion to approve with edit (McFarland/Montague): **Approved 10-0-0**

3. History and Africana Studies – Curriculum Program Change

Changes to Teaching Option

Presented by Daniel Block

Cleaning up catalog language to be current and clear

Changing alternate courses and course offerings to match Education course offerings

Edit: ED 4311 should be 1 credit

Motion to approve with edit (McFarland/Montague): Approved 12-0-0

IMPORTANT NOTE: ESL 4120 will be changing to a 2000-level course, all departments with Teaching Option will need to make this change. Check with Provost to see if change can be made across the Catalog without curriculum program change forms.

4. Computing, Information, Mathematical Sciences and Technology– Curriculum Course Change

New Courses : CPTR 2320 Applied Machine Learning & MATH 2820 Applied Machine Learning

Presented by Rohan Attele & Mohammad Salam

New cross-listed course at Sophomore level focused on Math for Machine Learning

Community Colleges also introducing similar courses/content

No new faculty or equipment needed

Edit: Check the “Course is cross-listed” button on both Course Change forms

Motion to approve both courses with edit (Hrozencik/Montague): Approved 12-0-0

5. Meeting Format Discussion

Committee members have expressed interest to meet in person, also to keep Zoom meeting.

Next meeting the committee will vote on meeting format
