

# BACHELOR OF SCIENCE

## Health Information Administration

CHICAGO STATE UNIVERSITY

### College of Health Sciences Admission Requirements

Meet the general admission requirements of the University and be enrolled as a pre-Health Information Administration major\*. Attain a cumulative and science grade point average of 2.5 on a 4.0 scale. A personal essay of 400 words, typewritten on a separate sheet, describing the factors that influenced your decision to enter the HIA profession and your professional aspirations following completion of the program and submission of two recommendation letters directly to the HIA Program Director are required.

### Job Outlook

A career in health information offers a challenging, exciting and rewarding career choice. Students are prepared to assume employment in a variety of traditional and non-traditional organizations. Graduates completing the program are eligible to sit for the national certification exam of the American Health Information Management Association where upon achieving a minimum passing score can become a Registered Health Information Administrator (RHIA).
