Transfer Students outstanding balance To OnPlanU(SZUDELI)

Description: Extract students' outstanding balance by delinquent codes and send to onplanu.

Parameters	Name	Required?	Description	Value
01	Term		Enter the term. It or next Delinquent code either one should be entered.	STVTERM
02	Delinquency Code		Enter the delinquent code(s) (% for all). It or term either one should be entered.	
03	Process Date		Deli processed date(MM/DD/YYYY). It's required when delinquent code is entered.	
04	Report or Send Mode	Yes	Enter R to run a report or S to send to onplanu	

The job has 2 functions:

1. Send all students within the term to Flywire for pre-collecting. (Term should be entered) A csu_precollect_placement_file_01_YYYYMMDD.dat file will be generated.
2. Send specific students whose deli code updated through TGRDELI on that day to Flywire for pre-collecting.
